

September 29. 1642.

The Persons to whom the MILITIA of the Citie of L O N D O N

is Committed; for the safetie of the said Citie, have thought fit,
and hereby Declare.

That no Souldier or any other person shall discharge any Peece, great or small, betwixt the houres of nine of the clock in the night, and six in the morning, except in case of necessitie.

That if any Alarum be in the night time; that then, all the Inhabitants of the said Citie and Liberties, shall forthwith hang out lights, at the doores of their severall Houses.

That none of the Officers belonging to the Trained Bands, doe lodge out of the Citie; during these times of imminent Danger.

That upon any generall Alarum by night or day, the Collonels, other Field Officers and Capains, with the severall companies of the Trained Bands of the said Citie, (compleatly Armed and well furnished with Ammunition) are forthwith to repaire to their severall Alarum places, herein after mentioned, and there to attend, untill they shall receive further order.
